congratulations!

Linda Hulbert - Last weekend NADAC trial, Porsche got two 1st places in Elite Jumpers and finished her Superior Open Chances, giving her her Open Triple Superior, Open Superior Versatility, and Open All Around titles.

Linda Hulbert - Rain got a 2nd in Novice Weavers, two 1st places in Novice Tunnelers, and got his Outstanding Novice Tunnelers title.

Dana Hoppes - Koji and I competed in our very first Nosework 3 (NW3) trial, unexpectedly getting in after starting out #33 on the wait list. He earned his NW3 and I'm still pinching myself!!

Debbie Kaminski – Timber earned his first NW3!

Linda Hulbert - Porsche and Rain finished their AKC Scent Work Novice Containers titles (7/10/22) at the German Shepherd Dog Club of Greater Washington, DC scent trials.

Shirley Harry and team ZeZe: earned their Senior Excellent 3 dock diving title.

Deborah Dean - my Small Blue Thing- Level 3 Interiors!!!!!!! The humidity and heat were oppressive, but my girl pushed through it. This also gives Iselin her NW3-I.

Sara Tagget - Desi earned her Level 3 Interiors. She really rocked it!! Still a hot day, but we stayed in air conditioned car when not searching. Desi is the first AHT to earn a Level 3 element title! She has earned 93 titles in Scent Work, agility, Fastcat, CAT, and tricks!

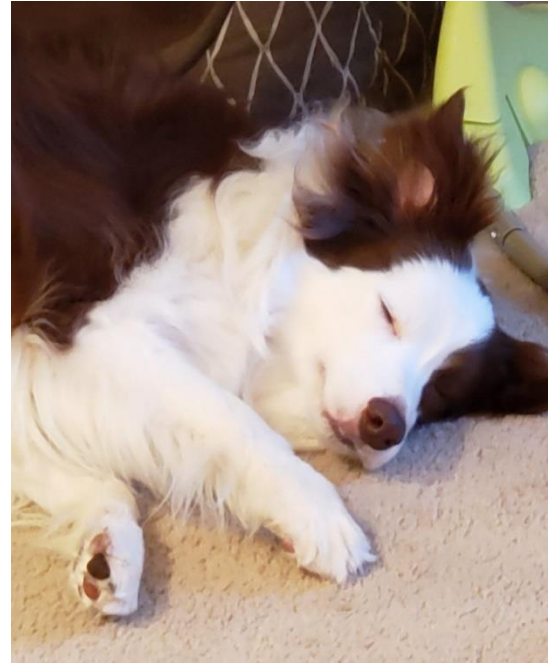

Barbara Novak - It has taken a few days for me to fully absorb the reality of what Trouble accomplished this past weekend in NACSW Nose Work. I am not an easy cry but I had tears in my

eyes when I accepted his Elite Champion ribbon on Friday. It felt like we had run a marathon and finally crossed the finish line. Then, to have him go back out on Sunday and earn his L3I title was icing on the cake. 9th Doberman Elite Champion and 6th Doberman L3I title holder. For his L3I he was 8th out of 22 dogs.

Felicia Wynn - We're pretty excited! Kody earned his AKC Rally Novice title! We did it virtually, and he had one score of 79 where we were a little out of view on one sign and apparently performed another one incorrectly (sat before down), but our other scores were 94 and 96! We got comments from different judges saying "lovely teamwork here" and "very nice teamwork"!

We will be using the gas-powered turf cleaner on the field. All doors and the loading dock bay doors will be open for ventilation, but the machine will throw fumes while in use.
