Thank you!

Oriole is an all-volunteer club – thank you to everyone that volunteers!

Annual Awards & Party - A Big Thank You to Pat Parkent for making this year's event a success! And Pat would like to thank, Betty Gardner. Betty has been my mentor and behind-the-scenes support over the past year. And then there was Jean Wilkins for her help with special plaques, help with distributing the awards, and general information on the awards. And especially a big thanks to Debby Brannan and her husband for the wonderful spread of food for the reception after the ceremony. And then there was a great group of support people who helped with table and chair setup, and whatever else was needed, including Lorinda, Martha, Kelly Raiser and Beth, Nancy Anderson and Kelley Welch, and all others who pitched in to help. It takes a village and I certainly felt the love!

Nominating Committee – many thanks to our Nominating Committee, Whitney Etchison, Sue Ericson, and Leanna Carpenter.

Volunteers Needed

Volunteers are needed and appreciated at all of our events. Here are some upcoming opportunities!

AKC Trial - Agility trial on January 26th, 27th, 28th 2023.

Set up will begin at 2:00 pm on Friday, January 26, 2023.

We will need help with:

- moving the blue panels from the field
- moving the equipment from the agility field
- clearing the ring gating and obedience equipment from the obedience field
- bringing tables out for the trial secretary
- there will be other small/lightweight tasks that will need to be done

We will also need help with teardown on Sunday, 01/28/2023. Time to be determined.

Nancy Morris will be your point of contact when you arrive.

Barn Hunt trials at Branchwater Farms in Reisterstown on Jan 26-28 (Fri-Sun) and are looking for some volunteers to assist with the event. This is a great opportunity to help the club out, see what barn hunt is all about, and counts towards the required volunteer hours for provisional members. Specifically we are looking for:

- Help on Friday from 11:30 to 1:30 for setup and to get the first class off and running,
- Help on Sunday from 4:00pm to 6:00 to help staff the final class and to pack up the trial,
- Ring help throughout the weekend (afternoons can be a bit thin on help).

Roles you may fill include blind (aka gate) steward, scribe, score sheet runner, and rat wrangler (no, you'll never even see a rat much less have to touch one!). No experience is necessary, we'd be happy to train you.

If you can help, please email trial chairs Becky Peters 2westies2luv@gmail.com or Katie Johnson chs драма2010@gmail.com .

USDAA Agility trial on Feb 3-4

- moving the blue panels from the field
- moving the equipment from the agility field
- clearing the ring gating and obedience equipment from the obedience field
- bringing tables out for the trial secretary
- there will be other small/lightweight tasks that will need to be done

We will try to accomplish as much as possible without disrupting the Friday night flyball class.

We will also need help with teardown on Sunday, Feb 4. Time to be determined. Janet Gauntt will be your point of contact when you arrive.

K9 SNIFFERS NOSE WORK AWARD

The purpose of this award is to recognize an Oriole member and dog team who has demonstrated exceptional technique and teamwork during nose work competitions as determined by at least two different judges. It acknowledges their professionalism, handler and dog safety, observational skills, leash handling technique, off leash control, speed, efficiency, accuracy, stamina, enthusiasm, clarity of alert and odor obedience. The decision for this award is based on trial results as rated by official trial judges while the team searches the (sometimes multiple) elements of containers, exteriors, interiors and vehicles. This Special Plaque will be presented to the member who has achieved the highest number of Pronounced RIBBONS OR the Highest AVERAGE of "Ps" from NW1, NW2, NW3 or Elite trials over the past year. In case of a tie, the Highest Overall Ranking will be the deciding factor

The Winner for 2023: Charisse Sary and Molly

SIDEKICK FLYBALL AWARD

Since flyball is a team sport, the winner of this award will be decided by a team vote. The team captains and the Flyball Training director will nominate a dog/handler pair from either of Oriole's two flyball groups. Team members may offer suggestions to any captain or the training director on whomever they think should be nominated. All current flyball training members in good standing are eligible to vote. The dog/handler pair that is nominated should be outstanding team players. They should be a dog and handler that you would want on your team, who attend practices regularly and who goes above and beyond working for the team.

The Winner for 2023: Rob Novak and Sadie

JO KENDIG AGILITY AWARD

The purpose of this award is to recognize a club member for his/her service to the Oriole/Artful Dodgers agility program and their positive representation of what the sport of agility is all about. The recipient is a club member that volunteers his/her time selflessly, someone that works at every trial, volunteers to work extra classes, shows up early for set-up and stays late to help break-down the trial site. He/she often contributes as an Agility instructor, assistant instructor or in other ways on a regular basis. In addition, the recipient is a good example of what agility participants are supposed to represent: that is....good sportsmanship on and off the field, a positive attitude towards their canine temate and the ability....at all times....to remember that "agility is fun"!

The Winners for 2023: Darlene Paul, Felicia Wynn, Lori Bessenhoffer and Judy Whitbred

BLANCHE SAUNDERS AWARD

This award was originated by the ODTc to honor Blanche Saunders who is considered to be one of the founders of dog obedience in the U. S. This award will be presented to the handler whose dog has achieved the highest average of any three scores in either the Open-B or Utility-B Obedience classes. These scores need not be for the dog's title. However, all scores must be from the same class! They cannot be combined

The Winner for 2023: Elaine O'Carroll and Brodie....199.3....Utility

ORIOLE AWARD

This award is for the handler who is exhibiting their FIRST dog in ANY of the "A" Obedience classes. This award will be presented to the handler whose dog has achieved the highest average of the FIRST three qualifying scores that earned its title EVEN IF there were subsequently higher scores later! The SAME dog may win this award through each of the classes as long as it is the handler's FIRST dog!

The Winner for 2023: Debby Brannan and PJ....189.2 CD

PRINCE AWARD

This award was originated to honor Major Wilson Davis, founder of the Oriole Dog Training Club, and his German Shepherd Dog, Prince. This award will be presented to the club member who has given outstanding service to the club. In addition, this member must own a dog that has obtained at least one title in ANY of Oriole's eligible activities. The dog should also possess the temperament and disposition that make for the kind of canine companion that anyone would love to have!

The Winner for 2023: Felicia Wynn and Kody

Thinking of You

If you know of a club member's loss or illness, please contact the Sunshine Coordinator, Sharon Spies at spies14632@aol.com or Dumbbell Editor so that we may share with our fellow members and acknowledge the member.

- ♥ Sympathy to Darlene and Greg Paul on the passing of Winnie MACH 7; PACH; ADCH-BRONZE; LAA-SILVER GAYHEARTS WINONA THE POOH BEAR MXF "WINNIE".
"The sable Corgi I always wanted, and immeasurable drive and intelligence as an agility dog. We would joke that she ran pissed off that her legs were too short, and she wanted them to go faster! More than once you'd hear someone call her Corgi on crack! "

JUNE 6TH, 2005- JAN. 7TH, 2024

- ♥ Our sympathy to Pat Parkent who lost her beautiful boy Tejano Thursday night. "We brought Tejano back from Texas as a mangy puppy that we found in a park in San Antonio. He had been dumped and the outlook for him was grim without our intervention. We took him to a vet there and got him fixed up well enough to travel by the next month. From there, he became a ball of energy as he recovered. What to do with a puppy that needed a job? He became my first flyball dog. He was such a good boy and so eager to please. He went on to a great flyball career over the next ten years, going to CanAm three years in a row and helping the team to win its divisional championship in 2014. He went on to earn this FGDCH-50K and retired with his Iron Dog title. Tejano was my best puppy raiser, playing with all puppies who entered our home. He was always my protector dog and was always with me, wherever I was. I knew in his last day when he couldn't manage to get up and follow me to the bedroom, that his time was near. I will always remember my sweet Tejano, my Texas puppy, as a part of my heart has left with him. Rest easy sweet boy."

Tejano CGC, FGDCH-50K, 12/15/2008 - 1/18/24
